

Greetings,

We here at Rock Lake Ministries are excited to announce the launch of our “Reboot” program for people who are looking to seek the Lord on direction for their life. This will be for believers ages 18 and up, held here at our facility outside of Pilot Mound, MB. It is our goal to help individuals, who are lonely or at a crossroads in their life, get established and connected into their walk with God as well as a faith community where they live. We believe that God is asking RLM to bless, support, minister to and minister with the ministries and churches of Manitoba and beyond, including believers who need to figure out the next steps in their life. Because everyone deserves a chance to re-align and reconnect.

Our year long program will allow our adult students to learn and grow in a safe environment to “reboot” and get back on track. It will allow time to seek God and get prepared for the next season of their lives.

More than only learning in a classroom setting, Reboot students will have opportunity for hands on learning as well as outreach and serving. As a part of their time with us, they will have opportunity to learn exciting life skills based on their needs, interests, and abilities. Each student will receive private coaching on an individualized learning track uniquely designed to meet them where they are at.

Reboot students will experience community in a family environment as they participate in regular chores including food preparation and clean up. Part of community living, students will attend classes, worship services, community outreach/volunteering, and special “family” nights of fun and fellowship. We will all learn and grow together in a totally unique environment through a truly unique program focused on setting students on the right track. Kingdom living in the loving arms of a Heavenly Father will be unveiled throughout the year with the teaching of God’s word and the training of His ways.

EXCITED YET? WE ARE TOO!

To that end, we would love to extend to you an invitation to partner with us in investing in the lives of our Reboot students. By investing in our pilot program Reboot, you will be investing in the changed lives of people. The needs are many and the success of such an endeavor will require many hands and many hearts. We will succeed if we do it together under the grace of our Lord Jesus Christ.

Should you sense a desire to partner with us in procuring provision for the vision, there are several ways you may do that;

- Provision in kind – Gifts of food, toiletries, laundry soap, school supplies, building supplies etc.
- Provision of Funds – any gift amount is so appreciated and is eligible for a tax receipt. Donations can be made, monthly, weekly, quarterly or as a one-time gift.
- Partnering in coaching – We are looking to partner with leaders who have a special expertise that would be willing to impart their experience in the form of on the job training or classroom teaching. We welcome targeted coaching support.
- Partnering in volunteer/serving opportunities – We are looking for opportunities for students to gain job/life experience as well as to learn the joy in serving others just as Jesus teaches. We welcome part time-work or one time serving opportunities for our students.

We also are asking for people everywhere to get behind us in prayer. How we covet your prayers and understand that with God all things are possible and we can give people a chance to get back on their feet. Please pray through all the seasons of this initial birthing as well as the growth and development of the Reboot program.

Whatever form of partnership stirs in your heart is appreciated and valued no matter how big or small and will be used to change the lives of our students.

We also would like to pray for you through out the year with our students. If you have prayer requests please email us at admin@rocklakeministries.org and we will come into agreement with seeking God on your behalf.

Thank you for prayerfully considering how you may join us in giving people a chance to reset and realign their lives to have a better future. A future filled with hope, restoration, encouragement, and excitement as they connect and encounter their Heavenly Father.

“May the Lord bless you and keep you; The Lord make his face shine on you and be gracious to you; The Lord turn His face toward you and give you peace.”
Numbers 6:24-26”
